Crafted for assurance

FIRE RATED GLASS DOOR

MOLICC 2 hours fire rated glass doors are engineered for superior fire protection, meeting SIRIM standard MS 1073: PART 3: 1996 (AMD.1:2003) and approved by BOMBA

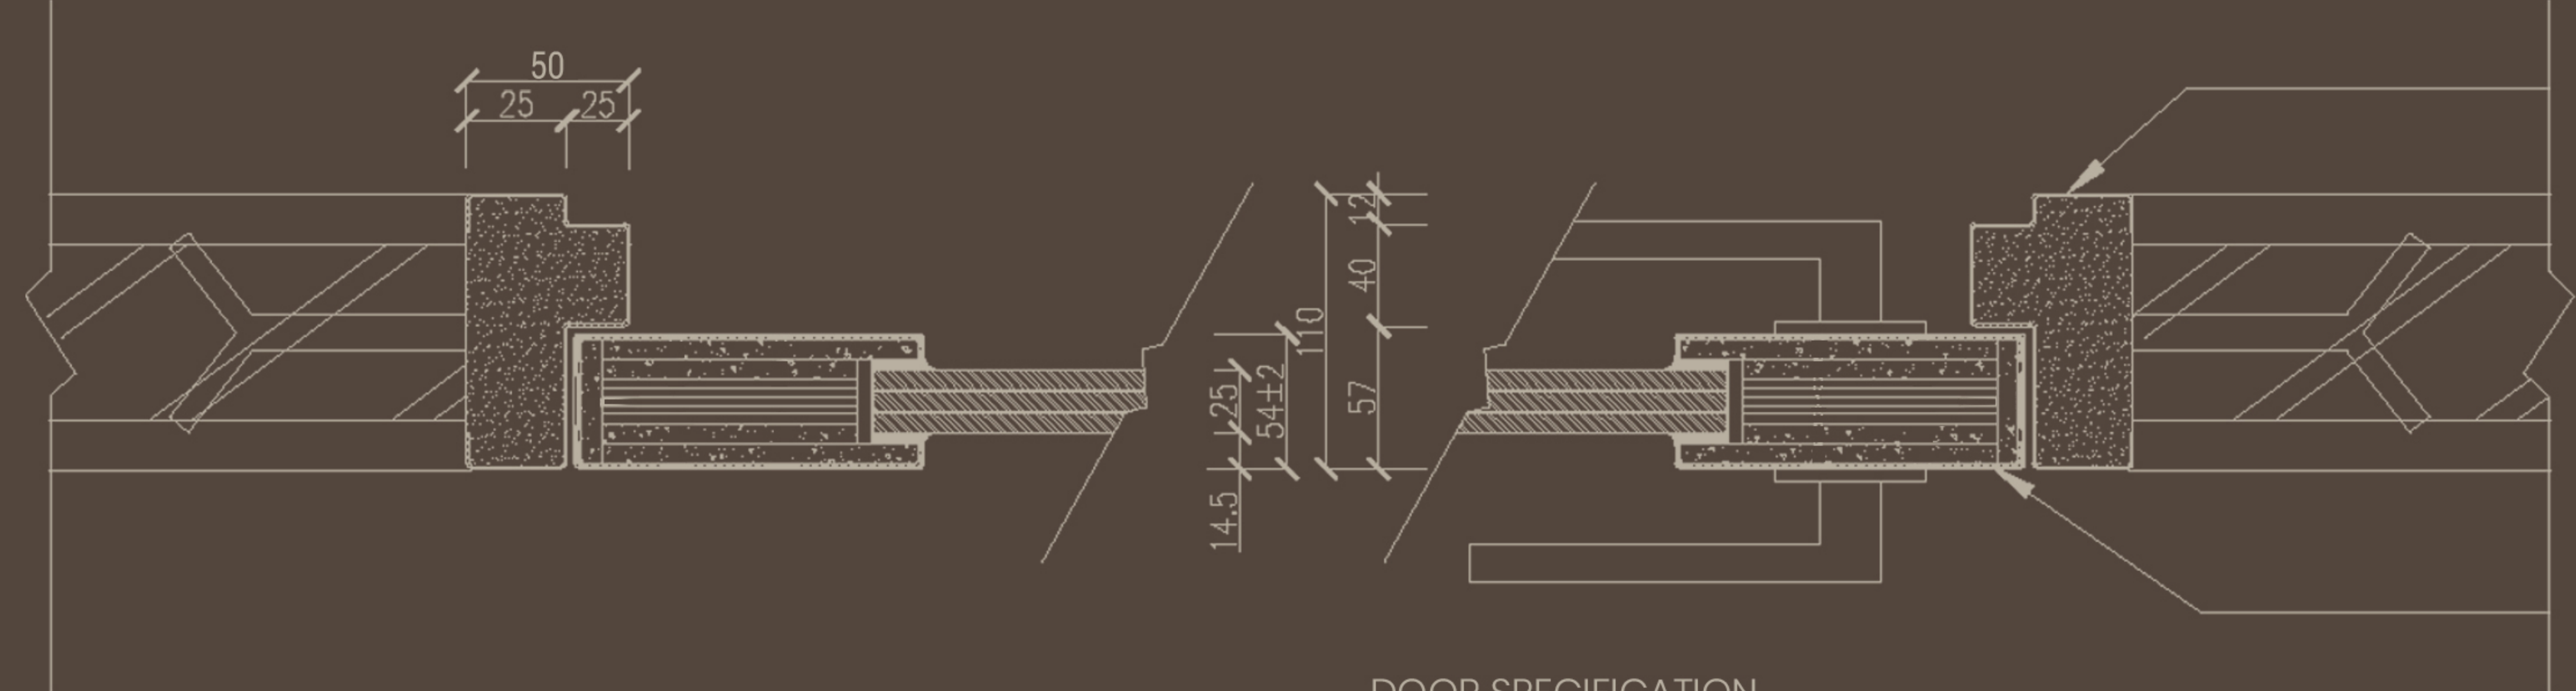

Fire Rated Glass Door

Molicc fire-rated glass doors are designed to provide both safety and aesthetic appeal in commercial and residential spaces. These doors combine high-performance fire resistance with the transparency of glass, allowing for natural light while maintaining safety standards. Ideal for applications requiring fire protection without compromising on design, Molicc doors are tested to
